+ Verticalización

The screenshot shows the Lenovo Health website. The browser address bar displays 'lenovohealth.com'. The navigation bar includes links for 'WHO WE ARE', 'HEALTH SOLUTIONS', 'CONTACT LENOVO', and 'HEALTHCARE ISV CERTIFICATION', along with social media icons for LinkedIn and Twitter, a language selector 'Seleccionar idioma', and a search bar. The main banner features the 'Lenovo Health' logo and the text 'It's as simple as one patient, one record.' with a 'LEARN MORE ABOUT PATIENT ID' button. Below the banner, there are three columns of content. The first column features a portrait of Tom Foley, Director of Global Health Solution Strategy at Lenovo Health, with the title 'The Search for a Single Patient Identifier' and a description of his perspective on single patient identifiers, accompanied by 'WATCH THE VIDEO' and 'READ THE WHITE PAPER' buttons. The second column is titled 'Achieve More Positive Patient Outcomes' and describes the criticality of patient identity solutions for improving care delivery, also featuring a 'READ THE WHITE PAPER' button. The third column is titled 'Our Solution: Lenovo Health AIMe' and describes the solution as powered by LifeMed ID, a 100% accurate patient identity solution tailored to specific organizational needs, with a 'SEE HOW IT WORKS' button.
